

Get all the benefits of a paper check, all in one low-cost, digital solution.

Deluxe Payment Exchange offers businesses like yours a 100% digital payment solution that integrates seamlessly with your current payment processes.

Save time & money – Digital payments can be sent in a fraction of the time and at half the cost of manual paper checks.

Ensure business continuity – Keep business moving with a payment solution that can be done anytime, from anywhere you have a computer.

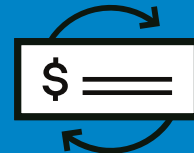

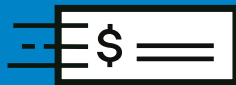

Find flexibility – Send digital payments to anyone with an email address or we can Print+Mail a high security paper check for you.

Deposit multiple ways – Recipient can choose direct deposit, deposit to debit card or PayPal, or print as a check.

How It Works

1. Sender links bank account to platform and enters payments into DPX.

2. DPX digitally sends payment and remittance notification to receiver by email.

3. Recipient notified of payment, views remittance data and chooses deposit method.
